

Outback List of Important Things!

1. Pennsylvania License if you plan on fishing (17 or older)! You can get online before we leave and you pick your options. It is your choice. If so also bring fishing gear.
2. Backpack – Shoulder Straps and a Waist belt adjusted to fit comfortably. (Must hold all of your gear for the trail and your share of group gear and food) Camp has some packs that are reserved on a first come first serve basis. We have also used some water tight buckets. Bring what you have and camp can help supplement to find a combo that works for you and your canoe partner. We divide up into partners when we get started so don't worry about that.
3. Spare duffle bag – for day tripping...Put your name on everything.
4. Full foot latching sandal (not flip flops!). Durability is important!, Spare shoes for hiking, exploring etc. Socks as you like them.
5. Sleep Gear – Camp sleeping pad, sleeping bag.
6. Fork, Spoon, bowl, cup, plate
7. 2 Water bottles, Gatorade bottles (32 oz) work fine and don't cost extra!
8. Clothing: 3 pair of light shorts to wear and one swim suit, sock combo(even if you just bring sandals, socks feel good at night!), A tee shirt to wear and 3 to pack, a wash clothe, underwear as necessary, light weight rain jacket and pants (it can be cool at night and in the mornings)
9. Other Necessary Items
Backpacking style small tent (we partner up and put people together so that we take only what we need, foam sleeping pad, Towel, hat, toothbrush and small tooth paste, hair brush, deodorant – small dry, soap, Personal supply of TP, Bug cream, Sun Screen, light first aid needs – the staff will carry a more comprehensive kit, flash light, matches or a safety lighter. Bible...
10. Still Other Potential Items: Sunglasses, hammock, small amount of cash
11. Items not to bring:
Hunting knives (folding pocket knives are okay), Electronic stuff – (These are usually valuable and would be left at the trail head in the vans which get very hot and could be broken into), illegal things or medications not prescribed for you (All meds should be left in their original bottles), large sums of money, everything else that you know better than to bring!
12. Pack all gear to be carried in Gallon size Ziplocs. This insures them being dry and fresh when you want to use them.
