Camp is going to be here before we know it!! Are you ready!? I'm so excited to spend the week with the "Fresh Girls" at BSCC!

The camp session is called "Fresh" because you can always have a fresh start in Christ. This year our theme is "Grow." We'll focus on how studying scripture helps us grow, regardless of where we are in our faith journey.

We'll spend the week learning about how to study the Bible and why we can trust what it says. We'll do tons of adventures at Butler Springs - like the ropes course, the climbing tower, and the giant swing. And we will do other fun activities to get to know ourselves and the other girls at camp better!

When packing for camp, in addition to the packing list from Butler Springs, your camper should also bring something they feel confident wearing - like a dress, a cute shirt, or another outfit! We do a fun photoshoot during the week, and I'd love for each of the girls to feel their best! We'll also do "hammock hangs", so if your camper has a hammock, feel free to bring it along! If not, no worries :) We always have extra on hand to share.

Our summer missionary will be Kosova Life Ministries. The Chesnut family will come talk with us during the week about what they do and how we can help and pray for them. Any mission donations gathered from the campers this week will go to their ministry!

Guardians, as you prepare your daughter for camp, please pray that their hearts will be open to hear what God has ready for them. Each of us is on a faith journey, and this camp could be life-changing for your daughter. I am praying - as I hope you are - that each of the girls will leave feeling more confident in their knowledge of God and how much He loves them.

I can't wait to meet all of you on June 9th!! Get ready for the amazing things that will happen at Fresh Camp!
