Hi, my name is Megan Apgar, I am the leader of Paintball 6 this summer. I am so excited for camp and to meet everyone, we are going to have a great week! Just a little about me. This is my fourth year deaning paintball. My husband and I will be serving together at camp. We have been married for 14 years and have two children, ages 13 and 11. I am currently the Children's Ministry Director at the Hillsboro Church of Christ.

At Paintball 6, we want the campers to leave having a closer relationship with Jesus and each other. I cannot wait to see how god moves this year at camp and your camper will come home with some paintball battle wounds, I am sure!

The camp provides everything needed. I like to wear gloves. Knuckle shots hurt. It's best for the students to come with two outfits per day. One to play paint all in (we are in the woods, pants are best) and then something to wear during camp activities. Don't forget your Bibles!

Camp will be here soon and I can not wait to have a blast playing paintball! If you have any questions between now and camp, please let me know!

See you soon!
Megan
