

VIP CAMP: June 4-7

What is VIP camp?

This is a 4-day camp focused on kids and young adults that live and function alongside a disability that want to experience camp at Butler Springs this summer! Campers looking for respite, encouragement, and face to face connections with other campers that want to grow and have fun learning about Jesus. Campers will be paired with a buddy who will help them enjoy all the fun of camp this summer. Plan to join us at camp this summer. If you have questions, please contact Laura Wersell at (740)277-9159.
