

Hello Ladies!

It is hard to believe we will be camping together in 4 short days! I cannot think of a better way to “Kick Start” summer than a weekend spent with our daughters, away from a world full of distractions, reflecting on His goodness and basking in the beauty of His creation. I am praying for this weekend, and all of you. As you begin to physically pack, pray for God to prepare your hearts and minds as well, to receive the message He has for you and your daughter. We will spend the weekend reflecting on our identify in Christ; who He says we are in his Word. (Don't forget your Bibles!)

So far, the weather looks promising! (Keep monitoring this as you pack, too!) It is still early June, so you may want to bring sweatshirts for the cooler evenings. There will be several opportunities to swim; however, the water is still pretty chilly! We will be sleeping in the woods, in screened huts, so be sure to bring bug repellent. There is no electric, so bring lanterns/flashlights as well.

Please plan to arrive at 6:30 p.m. on Friday, June 3. Camp staff will direct you where to go.

Saturday will be a very busy day! We will be taking in a lot of the wonderful activities offered at the main camp. Be sure to pack comfortable shoes and a water bottle. We will end our weekend on Sunday, with a special time of worship/reflection and dismiss around noon.

I am truly looking forward to sharing this weekend with all of you!

In His Love,
Emma Stuckey
