

SAFARI 6

Hello Safari Camper!

I'm so excited that you took the leap and signed up for Safari 6! Whether you've been to Safari before, or this is your first time, I know that you'll have a blast exploring everything this camp has to offer. During this session, we will dive into the Fruits of the Spirit and what each fruit looks like in our lives. If you want to study up before camp starts, our key text will be located in Galatians 5:22-25.

You'll find an attached camp packing list. Please make sure you abide by the list and also throw in a small backpack or drawstring bag to carry items to and from base camp. I would also suggest you pack good hiking shoes and please, don't forget your water bottle & flashlight!!

It is my prayer that you come to camp excited to explore, learn more about Jesus, and make new friends! All three of these are on my agenda for the week!

I look forward to meeting you!

Hanna Hopper
