

Basketball Camp 2022

I hope you are looking forward to a great week of camp at Butler Springs! You are receiving this letter because you are registered for **Basketball Camp** the week of July 24-28. The week will be filled with skills stations (where you can improve your individual skills), 5-on-5 team competition, 3-on-3 play plus some great camp activities like zip line, giant swing, climbing wall and more. We have some great volunteers coming to hang out with you this week and we are planning on a great week together. This letter is to provide you with a little more information about our week.

While we are participating in Basketball Camp, there will be a few other camps going on at the same time: Cheer Camp and Science Camp. We will all be together at different times during the week, but then split off for our specific camp specialty.

Our **theme** for the week is **IN THE FIRE** (Daniel 3). Everyone goes through trials and tough times, but we can find comfort knowing God is in the *“fire”* with us. We will spend some time talking about our theme as a large group, but then we will finish that up with some one-on-one time where you will have a chance to read God’s Word and talk to Him on your own. With that in mind, please make sure you **bring your Bible and a pen!**

Here are a couple of other things you need to know as you get ready to come to camp:

- Read the **Registration Information you received from BSCC**. It will tell you about registration time, what to bring, what not to bring and other things you need for camp. If you did not receive that information, please contact the camp.

We will sing together, study together, talk together, eat together, play basketball together, laugh together, and hopefully grow together as we learn I’m looking forward to a great week at camp with you!

See you at camp!
