

Father/Son Safari Camp

July 25-27, 2024

Some of my best memories while growing up involved doing things with my dad and attending Butler Springs Christian Camp every summer. Well, the Father Son/Safari Camp combines both of these elements into a weekend of adventure and bonding that is sure to leave both dad and his boy with memories that will last a lifetime.

Participants will set up camp at the rustic BSCC Safari Outpost, where campers can choose to bring along their own tents or bunk in the safari huts. The weekend will be spent at both the Safari Outpost and BSCC Main Camp as fathers and sons participate in activities such as hiking, swimming, archery, air rifle, zip lines, and ropes courses... just to name a few. There will also be times of worship and discovery as dads and their boys grow closer together while learning valuable insights from their Heavenly Father.

Coming from a dad who has participated in Father/Son Safari Camp with my own boys for the past ten years, I can personally attest that this particular weekend is one that we look forward to each summer. I think that you and your sons will too!

Should you have any questions, please feel free to email me at emailjwalls@yahoo.com.

Yours Truly,

Jeff Walls

Dean of 2024 Father/Son Safari Camp

P.S. If dads are unable to attend, a grandfather, uncle, or other such father-figure is welcome to attend in dad's place. Also, each dad is allowed to bring multiple sons to this weekend of camp.
