**Cathy Griffith  
Speaker**

Cathy is a native of Lynchburg, Ohio, a graduate of Lynchburg Clay High School and Kentucky Christian University. After graduation from KCU, Cathy moved to Lexington, to become the secretary at Gardenside Christian Church. The time spent at Gardenside she was involved in writing and directing several musical dramas and led a young adult Bible study. Cathy was also a teacher and head teacher at Lexington Christian High School. In addition to her administrative duties, she taught Bible, World and American History. In 1988 Cathy began writing teen curriculum for Standard Publishing and became a VBS consultant for Standard. Cathy traveled throughout Kentucky, Ohio, West Virginia, and Illinois conducting VBS workshops. In 1992 Cathy moved "home" to Lynchburg and worked as an editor in the VBS Department at Standard Publishing in Cincinnati. Cathy served for 10 years as the Director of Christian Education at her (current) home church, the Pricetown Church of Christ. Cathy has been on the Board of Directors for two pregnancy centers: Women for Life (Lexington, KY) and the Southern Ohio Pregnancy Center (Hillsboro, OH). In May of 2007 Cathy became the Executive Director (and still is) of the Southern Ohio Pregnancy Center. Cathy speaks on behalf of the Center sharing the Center's story and ways the community can support the Center's outreach. Over the years Cathy has spoken at many banquets, retreats, and conferences and led teacher training workshops encouraging churches as they work to build their Christian Education programs. As a teacher, administrator, book editor, consultant, Cathy has influenced teachers, students, young mothers, and fathers, board members, and church staff. She has developed and presented hundreds of educational programs. However, her most important job is being a mom and grandma. Cathy raised her niece Caitlyn and has two grandchildren, Alex (age 13) and Melody (age 11) who are the delights of her life. In her spare time, Cathy is an avid University of Kentucky basketball fan and is still upset with the Coca Cola Company because they stopped making TAB!
