

Parent/Teen Extreme 2022

June 29—July 1

Dear Fellow Parent/Teen Extreme Camper,

I am excited about making this trip for the 16th year. I hope you are anticipating creating a lifelong memory with your young adult. We are going to have a great time together if we all come prepared and with great attitudes!

All meals and daily activities listed are provided in the registration fee. Should you choose to purchase extra food along the way or snacks that is up to you and your budget.

Our experience will begin on Wed. June 29 at 9AM. After we have registered we will spend the morning and most of the afternoon on our challenge course. This might include the wall, giant zip line, giant swing, and conclude on our High ropes course.

We will need to leave here before supper time to make the four hour drive to WV to Appalachian Bible College where we will stay in their tent camp. There are about 5 large tents that can handle about 6 to 8 per. If it works out you might be able to stay with your child if tents are available.

We will be travelling in a 15 passenger van. We ask that you bring a mask to travel in as well as on the bus to rafting. If you do not wish to travel in the van you may drive your own vehicle. It is a 3 1/2 hour drive to Beckley WV. If we get more than 10 we will take two vehicles.

White water rafting is on Friday. Some type of shoes are required for rafting (**no flip flops**). **For white water rafting all equipment is provided!**

For Hiking: it will be an hour hike so bring a fanny pack or something to carry your lunch. We will spend a couple of hours at a spot on the creek to do cliff jumping and exploring in the creek. This is a great time and a beautiful place.

Please bring the following items on this trip: clothes to exercise and get dirty in, bedding for camping, One pair of tennis or hiking shoes, and sandals. Bring a flashlight and extra batteries, bathing suit or trunks, bug spray, personal toiletry items, a bible and anything else you may feel necessary, but please keep luggage to **bedroll and one travel bag and a folding chair**

This will be my sixteenth time leading this trip so relax and enjoy the ride. We will return on Friday evening by 8pm.

You may leave your vehicles parked here at the camp.

Should you have any questions you may email me at keith@butlersprings.com or call the office at 937-588-2205.

Camping for the Master,

Keith Warner
