## Featuring

# Love Lockman

Born just three days before Christmas, her parents named her Love Noel. Love is the daughter of Betty Gray and the late Rev. Elvin Gray, both veterans of the Christian Church ministry for over 60 years.

In 1979, Love graduated Cincinnati Christian University with a Bachelor's Degree in Christian Education. Three months later she married the love of her life, Bill Lockman, who is the pastor of Bunker Hill Christian Church in Salem, Indiana. Love serves alongside her husband in the church and is the Children's Pastor.

Love has three sons. Andy, who lives in Ocala Florida, her oldest son Billy and her youngest son Stevie, now live in Heaven. Having recently lost her two sons, Love has realized the necessity of reaching out to hurting people and helping to mend broken hearts.

During the past 40 years, Love has become a much sought after Christian speaker. Her ability to Biblically challenge and encourage today's Christian women is vital part of her ministry. Love has become a crusader for restoring brokenness to beauty, and helping women to take the broken pieces of their lives and let God turn them into a beautiful mosaic.
