

Middle School Too: July 9-14

Theme: RESTORED

Theme Scripture: “And after you have suffered a little while, the God of all grace, who has called you to his eternal glory in Christ, will himself restore, confirm, strengthen, and establish you.” 1 Peter 5:10 (ESV)

Theme Description: There are many works of art over the years that have become weathered, faded, washed out, or broken. There are also classic cars that are no longer in their prime or mint condition. They are rusted, the paint is worn off, and the interiors of these cars are in shambles. Even though these cars or works of art are no longer in their original state, there is still a great amount of value in them, when they are restored. The same is true in the lives of God’s children. Because of our own sin or the sin of those around us our lives have become weathered and broken. The creator still sees unlimited value in us, but we need to be restored to our original condition.
