Hello!

My name is Kyrsten Alvey and I have the privilege of being one of your child's leaders during Safari Extreme this summer. I am 29 years old, currently work as a full-time nanny and nurse on the side, grew up going to BSCC, spent a couple of summers on staff, have been leading a week of Safari camp for the past 5 summers, and love Jesus more than anything else in this world. This year I have the honor of leading beside Mykaela and Cody Johnson, Justin Warner, and Ellie Miller.

As camp leaders our deepest desire is that during this camp session the campers and leaders will experience God however He sees fit. Specifically we desire to teach, encourage and equip the campers and leaders in what it means to be God's disciple and how to go make disciples in our world.

We will be traveling to Alpine Ministries in West Virginia for a couple of days this year (drive down on Tuesday and return to BSCC on Wednesday) in order to hike, swim, and white water raft. For white water rafting here are the clothing recommendations from Alpine Ministries:

- Male – modest trunk style swimsuit or board shorts.
- Female – modest swimsuit and shorts. The midriff should be covered and no low cut tops please.
- Water sandals or shoes for water recreation.
- T-shirts and Sunscreen are highly recommended.
- Inexpensive sunglasses with a strap.
- Safety strap for eye- glasses.

Flip-flops/shoes without backs are not acceptable as well as long pants, skirts, or culottes as they may be a safety hazard.

We are so incredibly honored to have the privilege of being with your kids for even just a week this summer! Your kids are being prayed over in preparation for camp and will continue to be prayed over as our week together draws nearer. Each of us leaders absolutely loves the Lord and cannot wait for the opportunity to share that love with your kids.

Please feel free to contact me with any specific or clarifying questions! I am looking forward to meeting your camper and all God will have in-store for camp this summer!
