

THRIVE: CONFIDENCE IN CHRIST

Greetings STEM Camper!

I hope you are looking forward to a great week of camp at Butler Springs! You are receiving this letter because you are registered for STEM Camp July 21-25. We are actually three camps all rolled up into one: Basketball, STEM & Cheerleading.

We will learn how to focus on the truth, will have the opportunity for many hands-on STEM activities, and have plenty of time to enjoy the special activities Butler Springs provides - zip line, climbing wall, giant swing & more. Each evening we will have a **Main Event**: a fun activity for all of our camps to do together.

Our **theme** for the week is **Thrive in the Confidence of Christ**. Christ has created us to thrive! We need to have confidence in Christ that his promises are real. He comes through for us every time. How much more confident should we be in ourselves if we have full confidence in Jesus? We will spend some time talking about our theme as a large group, but then we will finish that up with some one-on-one time where you will have a chance to read God's Word and talk to Him on your own. With that in mind, please **make sure you bring your Bible and a pen! We will take missions offerings** through the week, so come prepared to participate in that if you are able.

Read the **Registration Information you received from BSCC**. It will tell you about registration time, what to bring, what not to bring and other things you need for camp. If you did not receive that information, please contact the camp.

We are excited to meet you and looking forward to a great week of camp. We will sing together, study together, talk together, eat together, laugh together, and hopefully grow together as we learn in a fun, engaging and hands-on way!

- ❖ *You will want to bring an extra pair of shoes for creek stomping, and/or hiking. Weather permitting we are also planning on taking a canoeing trip.*
- ❖ *We are planning on insulating an ice cube to prevent it from melting, designing paper airplanes, catapults and possibly a large cardboard boat if you want to bring any supplies.*
- ❖ If you have any questions before camp, you may contact me by email: dpenrod@waverly.k12.oh.us
