

Hello!

My name is Kyrsten Alvey, and I have the privilege of leading your child's week of Safari this summer. Some of you may know me and some may not, so I'll give just a little bit of background information for the sake of those who don't know me. I am 27 years old, currently work as a full-time nurse, grew up going to BSCC, spent a couple of summers on staff, have been leading a week of Safari camp for the past 3 summers, and love Jesus more than anything else in this world. This year I have the honor of leading beside Mykaela Alvey, Justin Warner, and Kirsten Campbell, who love Jesus and camp as much as I do.

If your child has been to Safari camp in the past, we can't wait to welcome them back; if your child will be new to Safari camp, we can't wait for them to experience it for the first time. During the week, we will be sleeping at Safari camp, as well as cooking our breakfast and dinner there. During the day we will hike down to main camp for activities such as zip lining, rock wall climbing, swimming, and more (this is also where we will eat lunch every day). One day during the week (likely Wednesday), we will take all of the kids rafting on Little Miami. We will have devotions every day, and this year our theme for camp is Experiencing God. We will have the opportunity to hear from some trusted individuals on what they believe it means to experience God and how they personally experience God. We will also spend time studying what God's word says about experiencing Him. During the week, Mykaela will share about our mission of the week, which is Wheeler Mission. Wheeler is a Christian organization dedicated to helping those who are homeless and/or recovering from addiction.

We are so excited to welcome your kids back to camp or to camp for the first time! If you have any questions at all please feel free to email me at kalvey@anderson.edu. I can't wait to meet you and your kids soon!

Thank you!

Kyrsten Alvey
