

Be Creative Camp 1 (Middle School):

Theme: **SHOW**

This summer at Be Creative 1, campers have a chance to show off their creative talents at SHOW. Campers will be planning and performing a series of shows throughout the week — from making and modeling clothes for a Fashion Show to winning over the crowd with a captivating performance in the Talent Show. During the week, we'll be examining the life of Peter and what it teaches us about our lives as Christians.

Be Creative Camp 2 (High School):

Theme: **CHILDISH**

Do you ever miss the simpler times of our early childhoods — catching fireflies, telling bedtime stories, playing freeze tag, and building pillow forts? This summer at Be Creative 2, our theme is CHILDISH, a week based around the creative adventures of childhood, from invisible friends to ice cream trucks. At Childish, the only limits of the activities are the campers' imagination. During the week, we'll study stories throughout the Bible that talk about the conflicts and virtues of childhood.
