*Cabins will be closed for lodging

*Ranch House & Snack Shack will be bathhouse / restrooms for tents / campers

Limited number of camper hook up spots, so please call ahead to reserve your spot (free of charge). Water hookup, sewer hookup, and up to 50 amp service at each of our spots.

Come try this new session over Memorial Day Weekend and experience Butler Springs Christian Camp at a slower pace with your family and loved ones. Family is on the GREATEST gifts that God has given us and Butler Springs wants to be a resources for families so that they can enjoy our Spirit-filled campus together! After the hustle and bustle of school schedules, work schedules, extracurricular activities, this camp session is a perfect opportunity to relax and unwind.

Bring your bicycles, scooters, hiking shoes, camp chairs, family games, hammocks, etc. **everything you'd typically bring on a campout in a state park** and we will take care of the rest.

Pets are welcome for this weekend session but please keep all pets outside of BSCC buildings/facilities. All pets must be on a leash and you will need to clean up after your pet as we want to keep our campus lawns clean for the next groups.

We will have several established fire rings ready to use for cooking over a fire, if you choose to do so. We will have plenty of firewood available for each family to use as well.

You are more than welcome to join forces with other families (if desired) and utilize the shelter spaces for the meals on your own.

Over the weekend, we will have some activities scheduled facilitated by trained Butler Springs Summer Staff. Lifeguards will be provided during certain times. If a Lifeguard is not present, families are responsible for the supervision of their children and access to the diving board is prohibited without the presence of a Lifeguard.
