

Dear Parents and Guardians,

My name is Jarrod Haines, and I will be leading your upcoming week of camp, Safari 6 at Butler Springs Christian Camp. I will be joined by my wife Michele Haines, and dear friends Codey and Paige Juillerat. I am a teacher at McClain High School in Greenfield, Ohio, where I also serve as the Varsity Girls Basketball Coach. Safari campers participate in the activities that Butler Springs has to offer like swimming, archery, zip line, rock wall, and the big swing. We also have the opportunity to enjoy the natural beauty around the camp through hiking in the woods in and around the camp, cooking over a campfire, rafting on the Little Miami River (weather permitting), spending the day swimming and riding the water slides at Longs Retreat and sleeping in tree huts. With the nature of Safari Camp this makes certain items more important: shoes that are sturdy enough to walk up and down hills, a pair of “water shoes” for our day on the Little Miami River, bug spray, sunscreen, and a flashlight with extra batteries. Last, but most importantly, students need to bring a Bible. My aim for your kids during the week is to grow closer to God but also develop some tools to grow closer to God into everyday life. We are looking forward to the week. Don’t hesitate to call me at 740-645-4063 if you have any questions for me before our session starts.

In Christ,

Jarrod Haines
