

Dear Fathers and Sons,

I am so glad that you are planning to join us for the 2022 Father/Son Safari at Butler Springs Christian Camp. If you have participated in Father/Son Safari in the past, then you pretty much know what to expect. But if this is your first time, you are in for an action-packed weekend designed to provide opportunities for dads and their boys to engage in some hands-on adventures in the great outdoors.

For those that don't know me, my name is Jeff Walls and this will be my ninth year participating in Father/Son Safari – but only my first year serving as Dean. One of the things I like most about this particular weekend of camp is how laid-back the environment is, which allows plenty of time for dads and their sons to engage in various activities together. Although we will have a schedule of events, we want to be flexible so as to allow ample time for dads and their boys to bond.

As you know, we will be camping outdoors (or in the tree huts, if you prefer) and cooking some of our meals over an open fire. We will also be doing a number of other outdoor activities including the zipline, climbing wall, archery, air rifle, paintball, big swing, swimming, and so on. Therefore, I encourage you to wear old clothes and shoes that you don't mind getting dirty.

My son Ryder and I are already excited about this year's Father/Son Safari Camp, and we hope you are too! If you have any questions, please don't hesitate to contact me at the email or phone number below. I look forward to camping with you July 28-30th.

Because of Christ,

Jeff Walls
