

# **ALL IN!**

**LOVE THE LORD YOUR GOD WITH ALL YOUR HEART, SOUL, MIND, AND STRENGTH!**

## **Middle School Camp**

**Have you ever noticed how easy it is to become committed to so many different things? It is amazing how you students juggle school, sports, hobbies, friends, and simply time to get everything done.**

**As a Christian, Jesus calls us to be committed as well. However, Jesus says our commitment to God has to be our priority, the type of commitment that is all in. The phrase "ALL IN" means you are fully committed. You give everything you have, and nobody can talk you out of doing it or finishing whatever you are committed to doing. During this week of camp we will take a look at what it means to be All In for God and how that will change our life and the people around us!**
